

Distraction-free

Family Pledge

We pledge to be distraction-free on the road when driving, biking, skating, riding scooters and walking.

As a family, we agree to do the following:

- ✓ Always focus on the road, no matter what—no exceptions
- ✓ Never use our phones, eat or play a game while driving, biking, skating, riding a scooter or walking
- ✓ Be a positive role model and safely lead by example
- ✓ Speak up if we see anyone distracted on the road
- ✓ Be honest about our behavior, and admit when we make a mistake
